Cleaners & Lubricants

CLEANERS

GLASS CLEANER - PROFESSIONAL STRENGTH

- Ammonia free glass cleaner
- Aerosol spray
- Will not harm mirror backing paint
- Also suitable for cleaning timber table tops, furniture etc.

Description	Content	Code
Professional Strength Glass Cleaner	400g	3-701-102

STAINLESS STEEL CLEANER

- Cleans and polishes in one step
- Leaves behind light, protective film to reduce fingermarks, smudges and slow re-soiling
- Suitable for use on chrome, aluminium, brass, laminated plastics, enamel and ceramics
- Streak free finish

Description	Content	Code
Stainless Steel Cleaner & Polish	200g	1-120-783

3M CITRUS BASED CLEANER

- Useful for cleaning and surface preparation prior to bonding, coating or further processing of parts
- Formulated to replace virtually all commonly used solvents in hand wiped cleaning processes
- Evaporates cleanly, leaving no/minimal non volatile residue
- Mild, pleasant citrus odour

Application: Cleaning heavy oils, greases, silicone, tar and paraffinic materials such as wax.

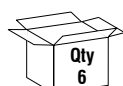

Description	Content	Code
3M Citrus Based Cleaner	524g	1-131-350

SUPERSOLVE SILICONE SOLVENT

- Silicone sealant solvent removes both cured and uncured silicone from just about any surface without damage
- Remove excess silicone sealant with flat knife, blade or spatula. Apply solvent liberally to surface to be cleaned. Wipe dry with clean cloth

Description	Content	Code
Supersolve Silicone Solvent	300g	3-701-120

HANDI-CLEAN WIPES

- Water based, citrus impregnated non-woven viscose material - gentle on hands
- Convenient, tear off towels, excellent for factory, mobile or in field/on site use without water
- Removes many adhesives and sealants from both hands, tools and equipment
- Excellent for polyurethane, sealants, grease, oil, tar, wax etc.

Description	Content	Code
Handi-Clean Towel	90/Tub	2-156-840

Cleaners & Lubricants

CLEANERS / SOLVENTS / SPIRITS

SCOTCH 700

700 Adhesive Cleaner and Solvent

Versatile industrial cleaning solution in a convenient aerosol form. Ideal for cleaning heavily contaminated surfaces prior to bonding, including the removal of grease, oil, adhesive residue, dirt and dust.

- Dismantling of previous bonded articles
- Controlled drying time
- Leaves no residue
- Fast acting

Description	Colour	Content	Code
Scotch 700	Clear	350g	1-131-219

hIPA CLEAN 300

An isopropyl alcohol (IPA) spray recommended to ensure surfaces are free from light contaminants, such as fingerprints and dust, prior to application of tapes and adhesives, particularly 3M VHB Tapes.

- General purpose surface preparation
- Leaves no residue
- Fast drying
- Easy and safe to use

Description	Colour	Content	Code
hIPA Clean 300	Clear	300g	4-080-T500

WHITE SPIRITS

- Semi rapid evaporative cleaning fluid, suitable for 2 cloth cleaning method
- Suitable for removing wax surface to powdercoat products prior to applying silicone, to maximise silicone adhesion
- Used on colonial bars, shower frames, flashing and other powder coated surfaces

Description	Colour	Content	Code
White Spirits	Clear	1 litre	2-156-500
White Spirits	Clear	4 litres	2-156-502

METHYLATED SPIRITS

- General cleaning, glass cleaner, stain remover, fuel, heavy duty disinfectant

Description	Colour	Content	Code
Methylated Spirits	Clear	4 litres	2-409-280
Methylated Spirits	Clear	20 litre drum	2-409-282

Cleaners & Lubricants

CLEANERS / SOLVENTS

ANCHOR WELD 901

- 'Cleaner / Thinner' is a specifically formulated solvent blend that is ideally suited for cleaning of dried water based and solvent based adhesives, such as, spillages and over sprays.

Description	Type	Colour	Content	Code
Anchor Weld 901	Cleaner / Thinner	Clear	20 litres	1-135-511

ANCHOR WELD 802

Solvent/Cleaner

A mild solvent mixture that has been designed for the cleaning of plastic surfaces such as ABS, melamine and PVC.

- Will not damage sensitive plastic surfaces if used in accordance with directions
- Improves appearance of finished items
- Fast drying
- Low odour

Description	Type	Colour	Content	Code
Anchor Weld 802	Solvent / Cleaner	Clear	20 litres	1-170-094

EDGE CLEAN ABS CLEANER

- For the removal of hot melt, contact adhesive, pencil marks and grime
- Suitable for use with ABS and PVC edge banding
- Not recommended with 3D acrylic edge banding

Description	Type	Colour	Content	Code
Edge Clean	ABS Cleaner	Clear	20 litres	1-170-096

Cleaners & Lubricants

LUBRICANTS / PROTECTANTS

SILICONE SPRAY

- Non-staining
- Food grade
- Suitable for household, marine, automotive & industrial use
- Australian made and owned

Description	Content	Code
Silicone Spray	300g	3-701-551

RP7

- Starts wet motors
- Stop squeaks
- Loosens frozen, sticky parts
- Protects against rust and metal corrosion

Description	Content	Code
RP7	300g	3-701-560

WAX STICK LUBRICANT

- Lubricates saws, blades & screws for easier use

Description	Content	Code
Wax Stick Lubricant	15oz	2-408-558

Cleaners & Lubricants

LUBRICANTS / PROTECTANTS

INOX PROFESSIONAL LUBE AND APPLICATOR

- Designed for heavy industrial use and where extreme climatic conditions prevail
- Contains no silicone, acid, petroleum distillate or kerosines
- Will not harm metal, plastics, paints, fibreglass, laminate or neoprene seals
- Quickly displaces water, will penetrate the severest of corrosion and protects surfaces

Description	Content	Code
Inox MX3 Lube Aerosol	100g	3-701-501
Inox MX3 Lube Aerosol	300g	3-701-503
Inox MX3 Lube & Spray Applicator	5 litres	3-701-505
Inox MX3 Lube, Spray Applicator & Tap	20 litres	3-701-520
Spray Applicator Only		3-701-521

LANOX

- Preserve and condition metal, timber, leather, rubber, vinyl and plastic
- Thread anti-seize; lubricant; welding anti spatter
- Waterproof sewn seams (boat canopies, tarps etc.)
- Common applications include: marine, automotive, heavy machinery, trailers, fishing and sporting equipment

Description	Content	Code
Lanox MX4 Lanolin Aerosol	300g	3-701-603
Lanox MX4 Spray and Applicator	5 litres	3-701-605
Spray Applicator Only		3-701-521

SMART Multi-Tool

the smart answer

The new SMART Multi-Tool is the most versatile power tool available. Thanks to the oscillation technology, the SMART Multi-Tool can perform time consuming and difficult tasks effortlessly and with ease many times quicker than conventional methods.

Not only is it easy to use, it's incredibly safe; making it the ultimate must have power tool. For precision cutting, effortless scraping, precise grout removal, aggressive grinding, plus a lot more, the SMART Multi-Tool has a job to do in every home and on every building site.
